BLS Provider certification to attend.

You **must** bring an electronic or paper copy of the Provider
manual to class. These are required for your exam.

Need help deciding which course version is correct for you? Email HHS-EducationACLS_BLS@HHSC.CA

Students should be confident in their electrocardiogram (ECG) rhythm interpretation for core ACLS rhythms. This course does not teach ECG interpretation.

This course is non-refundable. We reserve the right to cancel courses due to circumstances beyond our control. In the event a course is cancelled, you will be re-scheduled to the next available session at no additional cost. Course credit must be used within one calendar year.
